Over the years, *Big Brother* has brought us some hot ladies – but none as sexy as reigning BB queen Sophie Reade! The chesty Cheshire lass whipped off her bra for *Nuts* a couple of months ago but since then, her huge 30GG boobs have swelled to

a humongus 30H! And luckily for us, she decided to return to *Nuts* Towers for her rudest shoot yet! Feast your eyes on this, chaps...
Hi Sophie! You're fronting our TV's Boobiest Babes feature. Is it an honour? Yeah, it's a privilege to introduce all these gorgeous TV girls! I don't think of ➔

BOOBIEST TV BABES

KIM KARDASHIAN

Keeping Up With..., E!

Kim's great because she's famous for almost no reason – so she's a bit like Peaches Geldof, but a lot fitter!

CHELSEA WHITE

Clever V Stupid, BBC3

Chelsea tested her intelligence on TV. Our verdict? Anyone this mind-bogglingly sexy must be a genius!

STACEY SOLOMON

The X Factor, ITV1

We think they should make a new show called *The Sexy Factor* – Essex babe Stacey would definitely win!

GEMMA ATKINSON

The Bill, ITV1

Gemma returned to our screens in a recent cameo. If it were up to us, she'd have her own channel!

JENNIFER CLARK

Big Brother 9, Channel 4

The gorgeous Geordie didn't win *BB9*, which we found weird – we'd never kick her out of our house!

NADINE VELAZQUEZ

My Name Is Earl, E4

We love Nadine so much here at *Nuts*, we once shot her exclusively for these very pages. What a lady!

CHARLOTTE JACKSON

Sky Sports News

Charlotte was recently voted the sexiest presenter on TV. Forget *The X Factor* – that's our kind of vote!

KELLY BROOK

Strictly Come Dancing, BBC1

Is it just us or is Kelly getting fitter? Either way, she made dancing on the telly a lot less rubbish!

GEMMA BISSIX

Hollyoaks, BBC1

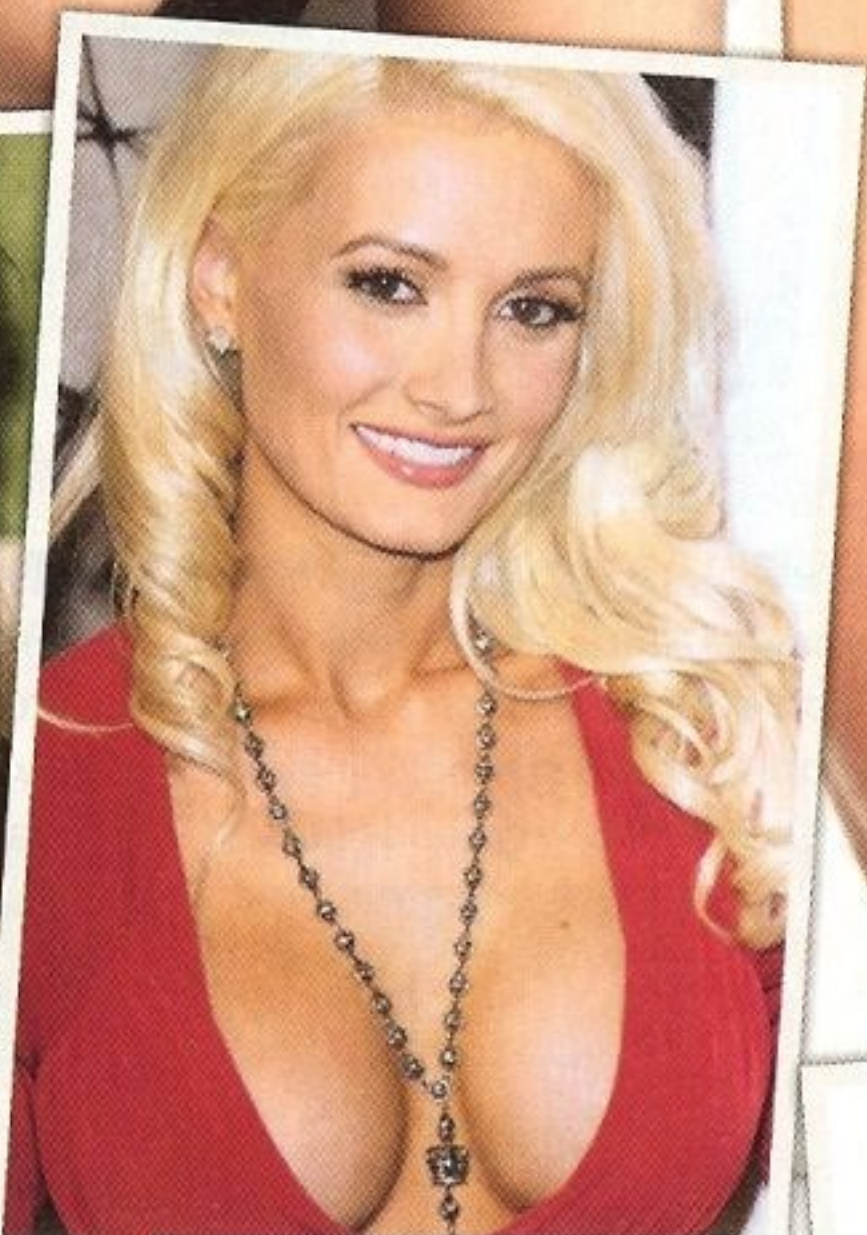

She's been one of the boobiest babes on loads of shows – so we had to include Gemma in this list!

MICHELLE KEEGAN

Coronation Street, ITV1

One of the sauciest sights on the cobbles for years now, Michelle's our kind of Lancashire hotpot!

HOLLY MADISON

Girls Of The Playboy Mansion, E!

What did the gorgeous Holly ever see in multi-millionaire Hugh Hefner? Oh, wait...

CASEY BATCHELOR

The Perfect Catch, E!

It was only a matter of time before Casey hit the big time – boobs that big don't stay under wraps forever!

ADELE SILVA

Emmerdale, ITV1

The lovely Adele gets a gold medal from us for her amazing boobs – that's right, no "Silva" here (sorry!).

EVA

Polish Strictly..., TVN

We're used to seeing Eva on our pages, not on telly – but we're happy to see her anywhere!

DANNII MINOGUE

The X Factor, ITV1

With Cheryl and Dannii nearby every week, it's no wonder Simon Cowell always looks so smug!

GEMMA MERNA

Hollyoaks, Channel 4

Right, we're packing our bags and heading for Hollyoaks. What do you mean it's not a real place?

HELEN FLANAGAN

Coronation Street, ITV1

The Bolton babe's love of revealing tops means we've worn down the pause button on our Sky+!

JESSICA-JANE CLEMENT

The Real Hustle, BBC3

How does Jessica fool so many blokes into doing her bidding – we've got two very good guesses!

ROXANNE PALLETT

Emmerdale, ITV1

Roxanne's so fit, she nearly got us watching the 'dale! Sadly, we still haven't forgotten Mandy Dingle!

KATIE PRICE

What Katie Did Next, ITV2

She might be a terrible singer, but there's one thing about Jordan we'll always love. Well, two things!

MICHELLE RYAN

Bionic Woman, BBC3

We found it hard to forgive Ms Ryan for leaving the UK. Until we saw how much sexier she is now!

COCO LLOYD

The X Factor, ITV1

Here's proof that in reality shows, the fit ones get voted off first – justice for the Kandy Rain one!

SALMA HAYEK

Ugly Betty, E4

They couldn't have picked a worse girl to be on a show with "ugly" in the title – Salma's gorgeous!

CARA BRETT

Clever v Stupid, BBC3

Curvy Cara once boasted about having sex on a trampoline. Crikey! We can't think of anything sexier!

HOLLY WILLUGHBY

This Morning, ITV1

Holly's fantastically flimsy frocks reveal two of the best reasons to pull a sickie and watch daytime TV.

TESS DALY

Strictly Come Dancing, BBC1

Tess' cracking chest is good news for everyone except Bruce. Can his ticker handle the heat every week?

SOFIA VERGARA

Modern Family, Sky1

Gorgeous Sofia may be most famous for her perfect bum but we love her awesome boobs, too!

CHERYL COLE

The X Factor, ITV1

The Geordie lass showed off her lungs on *The X Factor* recently. It was 100 per cent yes from us!

KENDRA WILKINSON

Girls Of The Playboy Mansion, E!

It's incredible that Hefner manages to get the girls he does, and Kendra is one of his finest. Fair play, Hugh!

Hi Sophie! You're fronting our TV's Boobiest Babes feature. Is it an honour? Yeah, it's a privilege to introduce all these gorgeous TV girls! I don't think of ➔

"I THINK I

"Well, you did say

myself as a TV star, though, because *Big Brother* didn't really feel like telly. It was like being at a holiday camp for the summer!

Is this the naughtiest photo shoot you've ever done? Yeah, definitely. I've never done anything like it. Even after we stopped shooting, I still had the camera in my hand. I'd never seen my boobs from so many angles before – it was ace! They looked huge on the plasma screen and I felt like I was making a naughty flick. I think I could film a porn movie now! You've put the idea in my head. I might buy a camera and film my boobs all day!

Crikey! Apart from you, who's got the best boobs on TV? She's in more films than on TV but Megan Fox is the most perfect girl in the world. Her boobs aren't too big or too small, they're just a nice handful!

Would you go on any other reality shows? Yeah, I'd definitely be up for going on *I'm A Celebrity...* because I think the Bushtucker Trials would be fun. I wouldn't eat creepy-crawlies but I wouldn't mind getting down and dirty. And I'd sit around in my bikini all day.

Sounds good to us! Do you fancy getting into acting? Yeah! Didn't you see my acting skills in *Big Brother* when I pretended to be Noirin? I think I should have a spin-off show where I just do impressions of loads of people. I reckon that'd be amazing! ➔

So what have you been up to since winning *Big Brother*? Loads! I'm in talks about doing a fitness DVD and I've got my own TV show. The cameras have been following me around since I won. They've been coming to parties, filming shoots and even watching me at home.

Have the cameras caught anything they shouldn't have? Yeah, my boobs came out a few times! The girls wanted to be on telly again, I think. They're probably missing it, so they thought they'd pop out!

What have you spent your winnings on? Well, I've just bought an apartment in London, so I'm looking forward to moving there, and I've bought loads of clothes!

Still planning on paying for another boob enhancement? I want one but people keep telling me I shouldn't. Maybe I should let *Nuts* readers vote! I think they don't feel as big because I've had them for so long. I still get jealous of bigger boobs!

Have you seen anyone with boobs to rival yours? Not really – although that Jana [Defi] has huge boobs. My God, are they real? If I ever see her, I'm going to grab them!

You're loaded and gorgeous, which basically makes you the perfect girl. Are you still single, though? Yeah, I'm still single and ready to mingle! I've had a few offers but because I've been so busy, I just haven't met anyone that good yet.

Last time we spoke, you said you missed sex in the *BB* house. Have you made up for lost time? No, I'm still waiting! I just want somebody who can make me laugh and isn't really big-headed – I hate guys like that. I like blokes who can take me down to their local for a few beers.

You're the face of Ann Summers. Have you had any fun freebies? Yeah, I'm loving it because all their stuff is really sexy and they give it to me for free. They gave me some nipple tassels recently, so I might wear them next time I go out!

You modelled their undies out in the street last month. Weren't you cold? No. I was enjoying myself so much, I didn't really feel the cold!

When I went back inside, I was a bit chilly but it was great. I just whipped off my coat and was out there for an hour in my undies. I never cover up, even if it's winter!

Have you got a special skill that would surprise *Nuts* readers? I can hold a beer bottle between my boobs, which can be pretty useful! If I've got my phone in one hand and my purse in another, I can just put it down there and drink it through a straw hands-free!

Finally, what do you want for Christmas? I want a nice man! He could be wrapped up in a ribbon – like a present – and I could unwrap him. All the *Nuts* readers should send in their applications! ■
